**Attachments:** Lake County non-discharge - 2005.doc

Mark:

Attached is the 2005 aerial photograph (in Microsoft Word format) that has a small yellow dot representing the location of the 1989 Probable Point of Entry (PPE) and a larger red circle showing that there was no apparent visual discharge in 2005.

Please let me know if you need any other information concerning this aerial photo.

Sincerely,

Mike
